

**CEPIS**  
Council of European Professional  
Informatics Societies

Happy New Year, and welcome to the first 2023 issue of our Member Update. Read the European Parliament's briefing on digital in education and skills, register for the introductory session on Digital Decade Policy Programme, and don't forget to follow the DiversIT Charter on social media!

### EP releases briefing on digital in education and skills

The European Parliament Research Service has released a pre-legislative synthesis of the positions of national, regional and local governmental organisations on the European Commission's forthcoming initiative, 'Digital in Education and Skills'. It examines how existing policy is working and identifies best practice.
