3rd annual DiversIT conference 29/11 - register now!

The CEPIS DiversIT Charter initiative is continuing its series of annual conferences. [This year's event](#) will take place on **29 November 2022 from 10:00 to 13:00 CET online**. This year we are gathering together to answer the question “*Can we work together?*” *How can a multi-stakeholder approach help increase gender equality in tech?*.

[Register here](#)

Competent and careful. Recognised and respected.

ITPE webinar on tech ethics – NEW DATE 15/11

On 15 November, 10:00 CET, ITPE will host a webinar to discuss the ethical aspects of IT and how professionals can help drive digital technology, not only by their technical expertise, but also with their ability to detect issues that could threaten a human-centric approach.
