Register to 'Professionalism in cybersecurity – current practice & outlook'

ITPE will hold a webinar on 'Professionalism in cybersecurity – current practice & outlook' on 17 November, 10:00-12:00 CET. Experts will discuss the status of cybersecurity in businesses and what initiatives are being developed on a European level to promote best practice. [Read the full article](#)

Cypriot Hackers' success at the European Cybersecurity Competition

The Cyprus Cybersecurity Team ranked 6th at the European Cyber Security Challenge (ECSC) held in Prague, from September 28 to October 1, 2021. The result is considered very encouraging for the "Cypriot hackers" since Cyprus counts only its fourth participation in the event. [Read the full article](#)
